### New York Office

19 Wilbur Street  
Lynbrook, NY 11563  
P: 516-568-6500  
F: 516-256-3299

Fan Coils • Air Handlers

Air Handling Units • RTU's • Indoor Air Handlers • Lab Exhaust • Duct Coils

Water-Cooled Chillers - 50-200 Tons

Trench Heating • Perimeter Heating • Design Grilles

Finned Tube • Cabinet Unit Heaters • Fan Coil • Heat Pumps • Induction Units • Radiant Ceiling Panels • Convectors

Air-Cooled Chillers - 15-200 TR IN STOCK!

Packaged RTU's Up to 65 tons • Split Systems Up to 50 tons (Heating & Cooling)

Custom Air Handlers

Air Handlers: Split & Packaged • Air & Water-Cooled Units, Energy Recovery

Vertical Stack Heat Pumps • Self Contained A/C Units

Custom AHU's/RTU's • Acoustical Products Custom Lab Exhaust & Clean Room Systems

Air Curtains

Heat & Energy Recovery

Catalog & Semi-Custom AHU's (2,000-30,000 CFM)

CO2 and Gas Monitoring

Valve Products

Kitchen • Commercial • Industrial

Air Handlers • Make-Up Air • Energy Recovery (Direct and Indirect Gas-Fired)

Representing the highest quality manufacturers of air, water and motor control products

Fans, Make-up Air, Kitchen Ventilation, Dampers, Louvers

Air Outlets, Terminal Units, VAV Diffusers, Chilled Beams, Displacement Ventilation

Motors & Drives

Architectural Grilles, Critical Environment Diffusers, Custom Products

Gas, Electric & Steam Humidifiers, Electric Heat, DDC Controls, Actuated Valves

Tailor-made Air Ducting & Diffusers  
 Round & Rectangular Fabric Duct Systems

Building Automation & NEMA Rated Starters

Nozzles, Specialty Air Outlets

Electric Heating Products

Variable Frequency Drives

Sound Transmission Solutions

Air Purification & Corrosion Protection Systems, Bi-Polar Ionization, Chemical Media (Multiple types), Polarized High Efficiency Particle Filtration, Ultraviolet Radiation – C & B Band, Photo-Catalytic Oxidation

CAR Assembly, Fans, Make-Up Air Solutions

Vibrations Isolation, Inertia Bases, Seismic Restraints

Building Automation & MEMA Rated Starters

Metropolitan Air Technology  
 Cable Operated Dampers

Displacement Ventilation, Specialty Air Outlets
